

Marshals

Welcome to the 2017 SNETTERTON STAGES RALLY
supported by
G.& B. Finch Ltd, Hylton Gott Ltd and Rix Engineering Ltd.

We are delighted to confirm that this will be the 5th round of the prestigious Motor Sport News Circuit Rally Championship as well as other regional association championships.

The 2107 event follows the successful events run at the Snetterton Circuit in previous years but in 2017 in the hands of a different club, Anglia Motorsport Club (AMSC).

Although AMSC may be a new name to many it is a club with an excellent pedigree being a combination of most of the active motor clubs in East Anglia. This brings together the skills, resources, experience and expertise from all those clubs providing a very strong organising team which we are confident will deliver a challenging but enjoyable event. The overall format will be similar to previous events maximising the opportunities available at the venue by utilising a mixture of on and off circuit roads within the route.

The organisers would like to thank G.& B. Finch Ltd, Hulton Gott Ltd. and Rix Engineering Ltd. for their sponsorship which is very much appreciated and also to recognise the support of MSV and the management and staff at Snetterton.

Without these contributions the event would not be possible.

The Organising Team

As always every event run by the car clubs rely on a small army of willing volunteers.

I hope you are considering to marshal for us on February 19th 2017.
No Motorsport event can function without you the volunteer marshal
