

# SNETTERTON STAGE RALLY 2025

## BULLETIN 2

### SSR25 - Approach to Scrutineering

#### PLEASE READ BEFORE SUBMITTING AN ENTRY TOMORROW

As reflected within the SR's, competitors are strongly encouraged to undertake noise and scrutineering on Friday 7<sup>th</sup> February. The times have been extended between 13:00 and 18:00 to facilitate this.

Scrutineering between 07:00 and 08:00 on Saturday 8<sup>th</sup> February will be tightly controlled, by advance appointment only and limited to a small number. Competitors should also note the following:

1. There would only be limited time to correct issues arising in scrutineering
2. The sound test on Saturday would only take place after 9:00 whilst cars that have not been scrutinised for sound will be checked whilst in the queue for MTC1. This is due to noise curfews at the venue.

Those considering a request for Saturday scrutineering are reminded any failure to attend MTC1 at due time will be subject to the lateness penalties. Lateness due to correcting issues arising from scrutineering including sound test remain subject to penalties. The availability of slots for Saturday scrutineering are limited and must be booked in advance.
